The challenge of three marathons highest in Europe. It takes place at two thousand meters of altitude on a perfectly flat course. The valley bottom cycle path is followed on a loop of about 10 kilometers to be repeated four times for the marathon.

A very training-intensive route, excellent for oxygenation at altitude. Here you will find many European national teams from various sports running alongside you.

Furthermore, the landscape is incomparable and will lead you to experience the best of this valley that many call the 'Little Tibet'.

You will run the roads that made this event famous for 5 years. All paved roads with no elevation change and no traffic.

Time limit for all distances 8 hours. Starts and arrive in sports hall Aquagranda where it is possible take a shower and discounts for pools and Sauna. T-shirt for finishers of 3 days. Big Daily Medals obtaining a one-of-a-kind 10cm x 30cm medal display.
